ARTICLE V.

Section 1. Annual Assessments. Each persona, group of persons, corporation, partnership, trust or other legal entity or any combination thereof, who becomes a record owner of a lot, whether or not it shall be so expressed in the Act of Sale, contract to sell or other conveyance, shall be deemed to covenant and agree to pay the Corporation, in advance, a monthly sum (herein and elsewhere referred to as "assessments" or "fees") equal to one-twelfth (1/12) of the member's proportionate share of the sum required by the Corporation, as estimated by its Board of Directors, to meet its annual expenses, including, but in no way limited to the following:

(a) The cost of all operating expenses of the common areas and community facilities and services furnished, including charges by the Corporation for facilities and services furnished by it; and

(b) The cost of necessary management and administration, including fees paid to any Management Agent; and

(c) The amount of all taxes and assessments levied against the Corporation or upon any property which it may own or which it is otherwise required to pay, if any; and

(d) The cost of fire and extended liability insurance on the common areas and community facilities and the cost of such other insurance as the Corporation may effect; and

(e) The cost of security guard service, mosquito spraying, garbage and trash collection and/or other utilities and services which may be provided by the Corporation, whether with respect to the common areas or otherwise; and

(f) The cost of maintaining, replacing, repairing and landscaping the common areas and community facilities (including, without limitation, the cost of maintaining, replacing and repairing the streets, roadways, open areas and community facilities of "DELOAKS") and such equipment as the Board of Directors shall determine to be necessary and proper; and

(g) The cost of funding all reserves established by the Corporation, including, when appropriate, a general operating reserve, and/or a reserve for replacements.

The Board of Directors shall determine the amount of the assessment annually, but may do so at more frequent intervals should circumstances so require. Upon resolution of the Board of Directors, installments of annual assessments may be levied and collected on a quarterly, semi-annual or annual basis rather than on the monthly basis hereinabove provided for. Any members may prepay one or more installments of any annual assessment levied by the Corporation, without premium or penalty.

The Board of Directors of the Corporation shall make reasonable efforts to fix the amount of the assessment against each lot for each assessment period at least thirty (30) days in advance of such date or period, and shall, at that time, prepare a roster of the lots and assessments applicable thereto which shall be kept in the office of the Corporation and shall be open to inspection by any owner upon reasonable notice to the Board. Written notice of the assessment shall thereupon be sent to the members. The omission of the Board of Directors, before expiration of any assessment period, to fix assessments hereunder for that or the next period, shall not be deemed a waiver or modification in any respect of the provisions of this Article, or a release of any member from the obligation to pay the assessment, or any installment thereof, for that or any subsequent assessment period, but the assessment fixed for the preceding period shall continue until a new assessment is fixed. No member may exempt himself from liability for assessments or fees by a waiver of the use or enjoyment of any of the common areas or community facilities or by

abandonment of any lot belonging to him.

Section 2. Special Assessments. In addition to the annual assessment authorized by this Article, the Corporation may levy in any assessment year a special assessment or assessments, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, inordinate repair or replacement of a capital improvement located upon the common areas or community facilities, including the necessary fixtures and personal property related thereto, or for such other purposes as the Board of Directors may consider appropriate, provided that any such assessment shall have the assent of the members representing fifty-one (51%) of the then members of the Corporation. A meeting of the members shall be duly called for this purpose, written notice of which shall be sent to all members at least ten (10) days, but not more than thirty (30) days in advance of such meeting, which notice shall set forth the purpose of the meeting. With respect to any special assessment that may be requested for maintenance of the new canal to be developed as per Exhibit "A-2", said assessment shall be levied on a prorata basis, based upon front footage along the canal. This calculation shall not only be based upon the front footage of the private lot owners along the outer perimeter of the canal but shall also factor in the frontage of the "island" and the adjacent wetlands that will be owned by the Deloaks Homeowners Association. However, the Deloaks Homeowners Association shall never be responsible for more than ten (10%) per cent of the cost of maintaining said canal, with ninety (90%) per cent of the cost of maintenance being borne by the property abutting said canal, with assessments being levied on a pro-rata basis as set forth above. The actual prorata assessment shall be established by separate letter agreement.

Section 3. Reserve for Replacements. The Corporation shall establish and maintain, a reserve fund for replacements by the allocation and payment monthly to such reserve fund of an amount to be designated from time to time by the Board of Directors. Such fund shall be conclusively deemed to be a common expense of the Corporation and shall be deposited with a bank or other financial institution the accounts of which are insured by an agency of the United States of America or may, in the discretion of the Board of Directors, be invested in obligations of, or fully guaranteed as to principal by, the United States of America. The reserve for replacements may be expended only for the purpose of effecting the replacement of the common areas and community facilities, major repairs to any streets, or roadways, or roadways developed as a part of the property, equipment replacement, and for operating contingencies of a nonrecurring nature. The proportionate interest of any member in any reserve for replacements shall be considered an appurtenance of his lot and shall not be separately withdrawn, assigned or transferred or otherwise separated from the lot to which it appertains and shall be deemed to be transferred with such lot.

Section 4. Non-Payment of Assessment. Any assessment levied pursuant to this Act of Dedication, or any installment thereof, which is not paid on the date when due shall be delinquent. The personal obligation of the member to pay such assessment shall remain his personal obligation and a suit to recover a money judgment for non-payment for any assessment levied pursuant to this Act of Dedication, or any installment thereof, may be maintained by the Corporation. And, in addition, the Corporation may cause a lien for such amounts to be filed in the records of the Clerk of Court for St. Tammany Parish.

Any assessment levied pursuant to this Act of Dedication of any installment thereof, which is not paid within thirty (30) days after it is due, may, upon resolution of the Board of Directors, bear interest at a rate not to exceed twenty (20%) percent per annum, and may also, by resolution of the Board of Directors, subject the member obligated to pay the same to the payment of such

other penalty or "late charge" as the Board may reasonably fix, and the Corporation may: (i) cause a lien for the total of the assessed amounts due and owing plus interest, penalties, late charges and attorney's fees which fees shall be twenty (20%) percent of the sum claimed to be filed which lien shall bear against the Lot or Lots owned by the member situated on the property, and (ii) bring an action at law against the member personally obligated to pay the same, in which event such interest, penalties, late charges, costs and reasonable attorneys' fees of twenty (20%) percent of the sum claimed shall be added to the amount of the assessment. The Corporation shall notify the holder of the first mortgage on any lot for which any assessment levied pursuant to this Act of Dedication become delinquent for a period in excess of sixty (60) days and in any other case where the owner of such lot is in default with respect to the performance of any other obligation hereunder for a period in excess of sixty (60) days, but any failure to give such notice shall not affect the validity of any assessment levied or to be levied pursuant to this Act of Dedication.

The Board of Directors may post a list of members who are delinquent in the payment of any assessment or other fees which may be due the Corporation, including any installment thereof which become delinquent in any prominent location within the property.

Section 5. Assessment Certificates. The Corporation shall upon demand at any time furnish to any member liable for any assessment levied pursuant to this Act of Dedication (or any other party legitimately interested in the same) a certificate in writing signed by an officer of the Corporation, setting forth the status of said assessment, i.e., whether the same is paid or unpaid. Such certificate shall be conclusive evidence of the payment of any assessment therein stated to have been paid. A charge not to exceed Thirty Dollars (\$30.00) may be levied in advance by the Corporation for each certificate so delivered.

Section 6. Acceleration of Installments. Upon default in the payment of any one or more monthly installments of any assessment levied pursuant to this Act of Dedication, or any other installment thereof, the entire balance of said assessment may be accelerated at the option of the Board of Directors and be declared due and payable in full.

Section 7. Additional Default. Any recorded first mortgage secured by a lot in the property shall provide that any default by the mortgagor in the payment of any assessment levied pursuant to this Act of Dedication, or any installment thereof, shall likewise be a default in such mortgage (or the indebtedness secured thereby); but failure to include such a provision in any such mortgage shall not affect the validity of such mortgage (or the indebtedness secured thereby).

Section 8. Annual Membership Assessment. The maximum assessment for each of the lots to which membership is appurtenant shall be determined by the Board of Directors based on services provided to each member. The rate for unimproved lot owners shall commence upon taking title. The rate for improved lot owners shall commence upon completion of the dwelling.

Section 9. Increase in Maximum Assessment.

(a) The maximum annual assessment for all memberships hereinabove provided for, may be increased by the Board of Directors of the Corporation without a vote of the membership, by an amount equal to ten percent (10%) of the maximum annual assessment for the preceding year.

(b) The maximum annual assessment for all memberships hereinabove provided for may be increased above that established by

the preceding paragraph by a vote of members, as hereinafter provided, for the next succeeding year thereafter, at the end of such year, for each succeeding year. Any change made pursuant to this paragraph shall have the assent of fifty-one percent (51%) of the then members of the Corporation. A meeting of the members shall be duly called for his purpose, written notice of which shall be sent to all members at least ten (10) days in advance of such meeting, which notice shall set forth the purpose of such meeting.

Section 10. Commencement of Annual Assessments. The annual assessment for each membership shall commenced on the date of execution of the act of sale for the lot to which such membership is appurtenant. The first monthly installment of such annual assessment shall be made for the month during which such act of sale is executed and shall become due and payable on that date. Except as hereinelsewhere provided, the monthly installment of the annual assessment for any lot for any month after the first month shall become due and payable on the first day of each successive month.

ARTICLE XI.

Section 1. Duration-Amendment. Except where permanent servitudes or other permanent rights or interest are herein created, the servitudes, privileges and restrictions of this Act of Dedication shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Corporation, or the owner of any lot subject to this Act of Dedication, their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date of recordation of this Act of Dedication, after which the said servitudes, privileges and restrictions shall be automatically extended for successive periods of ten (10) years each, unless an instrument signed by then owners of a majority of the lots has been recorded, agreeing to change said servitudes, privileges and restrictions in whole or in part. The terms and provisions of this Act of Dedication, and any of the servitudes, privileges and restrictions herein contained, may be modified in whole or in part, terminated or waived, prior to or subsequent to the expiration of the thirty (30) year period aforesaid, by an Act of Modification, Termination or Waiver signed by the then owners of a majority of the lots and duly recorded with the Clerk of Court for St. Tammany Parish, Louisiana.
