## Spring 2016

---

Dear Deloaks Neighbors,

Just a quick update to let you know what's going on. Firstly, we would like to welcome two new members to the Board. They are **Keith Rodger** and **Marilyn Mislove** who kindly volunteered to serve. We would also like to recognize and thank **Margaret Zelenka** and **Chad Ermel** for their outstanding service to the Deloaks Board during the past 3 years.

Secondly, we received very few responses to update the Deloaks directory so we will publish it by e-mail to all Deloaks residents with the new information received combined with the previous info on file. If you would subsequently like to update your information, please send an e-mail to our Deloaks e-mail address with your correct information.

And finally, this is a **Did You Know** tip. You can set up onetime or recurring payments through your bank to pay your Deloaks Quarterly dues or any other Deloaks fees. To do so, here are the steps:

1. Access your bank's electronic bill paying menu and add **Deloaks Homeowner's Association** as a Payee.
2. For the payee address use our mailing address:

**P.O Box 756**  
**Madisonville, La. 70447**

3. For the account number, use your **Name**. (Note: If you have more than one Deloaks account, you should also include your **lot number** with your name to differentiate the two accounts.)

The bank will then mail a check on your behalf to remit payment. This makes it very easy and alleviates the hassle of you having to write a check, find an envelope, stamp and mail it. About 25% of the Deloaks residents currently do this but perhaps others are not aware of this convenience.
