

Deloaks News

Fall 2016

Dear Deloaks Neighbors,

The year is quickly passing by and it's hard to believe it's already November. We hope everyone enjoyed the summer and are enjoying the beautiful fall weather. Things continue to remain fairly uneventful for our Deloaks HOA and we are on budget for expenses during 2016.

One new item that we'd like to raise to your attention is that the Board has approved the installation of new street and traffic signs in our Subdivision. Due to the disappearance of the street signs at the corner of Bayou Perez Drive and River Bluff Drive, as well as the need to repair and refurbish the existing deteriorating wooden signs, the Board set about to locate companies capable to do this work. Unfortunately, no companies were identified that were interested to do this work. In fact, even the company that installed our current signs advised they no longer deal with wooden signs. The Board also contacted several other subdivisions who have wooden signs but again were unable to interest any companies in maintaining our signs. As such, the Board approved a project to replace our current signs with decorative metal signs. This will be a permanent solution and provide a very attractive appearance for Deloaks. This work should commence in late December, 2016 or early January, 2017.

We would like to welcome the new families to Deloaks since we last acknowledged new comers in our January 2016 newsletter. They are

- Brandy and Otto Abad - 11 Audubon Lane
- Tiffany and Mike Dufour - 35 Elmwood Loop
- Bethany and Kyle Echeland - 36 Elmwood Loop
- Karen and Jay Lauve - 105 Bayou Perez Drive

We wish everyone a safe and joyous festive season. We look forward to the coming year and working cooperatively to address the common issues so as to maintain Deloaks as a lovely subdivision and desirable place to live. As such, the Board welcomes your feedback and any ideas or suggestions you may have. Please address these to the Board at the email address listed below.
